PROFILE

Passionate about web development, I am seeking a junior front-end developer position to apply my skills and continue growing. Creative and adaptable, I am ready to fully commit to a dynamic team and contribute to the success of your projects.

EXPERIENCES

BPFLOW 2024

Front-End Web Developer

- Developed a SaaS application with a scalable and efficient frontend architecture using React.
- Collaborated with an Agile team (Product Owner, backend developers, designers) to ensure software delivery and a seamless user experience.
- Designed and developed the BP Flow website using Figma, React, and Tailwind CSS to provide a modern and responsive experience.
- Ensured a fully responsive design across mobile, PC, and tablet.
- Implemented a micro-frontend architecture to split functionalities, enabling independent deployments and code evolution.
- Ensured fast and reliable feature delivery through automated testing and deployments via CI/CD pipelines.
- Optimized application performance by reducing loading times and ensuring smooth user interactions.

BECODE 2023

Web Developer Training

- Worked on front-end development for various complex projects.
- Used modern frameworks such as React and Tailwind CSS to build dynamic and responsive user interfaces.
- Integrated APIs to connect front-end applications with backend services.
- Implemented responsive design principles to ensure compatibility across devices (mobile, desktop, and tablet).
- Utilized Git/GitHub and the terminal for version control and efficient project management.

ASBL RYD-INTERNSHIP 2022

Communication Officer and Project Management Assistant

- Created engaging visual content using Adobe Creative Suite and Canva to grow social media communities and increase visibility.
- Demonstrated autonomy and time management skills by delivering tasks on time and exceeding expectations.

ASBL TREMPLINS-INTERNSHIP 2020

Project Management Assistant

- Gained autonomy and ensured timely delivery of tasks, supporting the team in achieving project goals.
- Increased the visibility of the non profit organization by creating social media content.
- Played a key role in organizing the Babel Festival, contributing to the development of a communication strategy to promote the event.
